

Webinar & live demo: IUMI's new Online Cargo Insurance Tutorial

Published: 18 December 2018

This webinar is an opportunity for anyone who is interested to learn more about IUMI's new online cargo insurance tutorial and to find out how this self-paced online training works in practice. Hendrike Kühl from IUMI and Charlotte Warr from Sarnia Training introduce the content of the course and showcase how the tool works in a live demo. Modules include stock throughput, project cargo and trade clauses as well as ordinary transit type insurance.

The online tutorial is available to anyone, not only IUMI members. The option of taking an online exam with remote invigilation will also be addressed. The exams can be taken four times per year (once per quarter).
