

New Sanctions Developments in the Maritime Sector

3rd August 2020

Our IUMI Professional Partner Windward will hold a webinar under the theme “New Sanctions Developments in the Maritime Sector: UK Sanctions Shipping Guidance and Venezuelan Shipping in Focus” on Wednesday, August 5 at 15:45 London time. Experts from Windward, K2 Intelligence-Financial Integrity Network and C4ADS will discuss

- Similarities and differences between the new UK maritime guidance and recent U.S. guidance
- Key trends in maritime sanctions evasion and their impact on business
- An original case study of how Venezuela’s shipping sector is adapting to sanctions

You can save your spot [HERE](#), and you’re more than welcome to invite colleagues that are interested in the topic to join.
