

Global Marine SOx Emissions Regulations – Global Map

By Insurance Marine News, 30th April 2020

To assist operators avoid issues with local regulations, the Exhaust Gas Cleaning System Association (EGCSA) has launched a free [Global Marine SOx Emissions Regulation map on their website](#).

The map aims to provide a comprehensive source of information on international, regional, national and local SOx emission regulation, together with guidance on the use of exhaust gas cleaning systems as an alternative method of compliance.
