

IUMI presentation at IMO Maritime Safety Committee

16th May 2018

On the first day of the 99th session of the IMO's Maritime Safety Committee, Lars Lange, Secretary General of IUMI, and Astrid Seltsmann, Analyst/Actuary at The Nordic Association of Marine Insurers (Cefor) and Vice Chair of IUMI's Facts & Figures Committee, gave a presentation to the IMO delegates. Lars Lange informed the audience about IUMI's work and publications, followed by Astrid Seltsmann who updated the audience on vessel casualty trends.

Astrid's presentation can be downloaded [HERE](#).
