

# MAIB Annual Report 2020

10th June 2021

The UK's Marine Accident Investigation Branch (MAIB) just published their annual report for 2020. The document contains an overview of accidents reported, a summary of investigations started, details of investigation reports published as well as recommendations and marine accident statistics.

The complete report can be downloaded from the MAIB's website:

<https://www.gov.uk/government/publications/maib-annual-report-2020>
