

Paris MoU performance list 2019 released

3rd July 2020

The Paris MoU on Port State Control Committee approved the 2019 inspection results and adopted new performance lists for flag States and Recognized Organizations (ROs). The “White, Grey and Black (WGB) List” presents the full spectrum, from quality flags to flags with a poorer performance based on inspection outcomes. It is based on the total number of inspections and detentions over a 3-year rolling period for flags with at least 30 inspections in the period. The WGB List is available [HERE](#) on the Paris MoU website.
