

Ports offering vaccinations for seafarers

3rd November 2021

The International Christian Maritime Association (ICMA), a non-governmental organization in consultative status with the IMO, has compiled and is maintaining a global list of ports offering vaccinations for seafarers, including foreign seafarers. As a signatory to the Neptune Declaration on Seafarer Wellbeing, IUMI supports all efforts to recognize seafarers as key workers and give them priority access to COVID-19 vaccines. Thank you to ICMA for compiling this list: <https://icma.as/vaccines/>
