

150 years of IUMI: Berlin Conference 2024

18th July 2024

This year's conference will celebrate 150 years of IUMI alongside the usual lively discussion of topical marine insurance issues. Three days of debate, information sharing and networking is scheduled for Berlin starting on Sunday 15 September. In this podcast we hear from Tobias Braun whose organisation VHT is jointly hosting the conference along with GDV. Lars Lange also joins to explain the additions and innovations to this year's agenda. Listen to what IUMI has in store for Berlin in September.
