

Frédéric Denèfle's first 100 days as IUMI President

12th January 2023

In the first podcast of 2023, we speak to Frédéric Denèfle, the new IUMI President, for a roundup of his first 100 days in the job.

Since taking up the role following the IUMI conference in Chicago last year, Frédéric Denèfle has had a busy timetable. In this episode, he reflects on the immediate challenges and surprises, changes to IUMI's leadership structure, the popularity of the new IUMI Masterclass, the Black Sea Grain Initiative and more.
