

IUMI Cargo Masterclass

29th November 2023

Our Cargo Masterclass is becoming an essential training tool for marine insurance professionals and is now a central element to our education activities. In this podcast, we are joined by the Chair of our Education Forum, Christopher Hesselbrandt and also by Annemieke Boon from DUPI Underwriting who participated, as a student, in our recent Cargo Masterclass. Together, we discuss IUMI's education ambitions and we hear, first hand, what it is like to participate as a student. We also give details of our next Cargo Masterclass which is planned for April 2024 in London.
