# CLIMATE PROTECTION CERTIFICATE FOR REDUCING GREENHOUSE GAS EMISSIONS

## You offset the climate impact of your event „IUMI Spring Meeting 2026 with atmosfair.

Offsetting is part of the **Steigenberger Hotel Hamburg** Green Meeting concept.

### Your contribution to climate protection

supports atmosfair's climate protection projects. These are carried out according to the rules of the Clean Development Mechanism (CDM) anchored in the Kyoto Protocol and additionally the "Gold Standard" of international environmental organizations. Independent organizations approved by the United Nations (e.g. TÜV) monitor the actual CO<sub>2</sub> reduction of the projects.

### Our guarantee

With your contribution, atmosfair strives to achieve emission reductions from the above-mentioned climate protection projects. These are certified by the responsible control bodies and the certificates are permanently closed in the official register of the Federal Republic of Germany at the Federal Environment Agency. By doing this, atmosfair provides formal proof that the emissions saved are no longer released into the atmosphere and can no longer be used by others.
